

The 5th World Congress on TIVA – TCI & 15th Guidelines and Protocols in Anesthesia and Intensive Care Congress

28-30 September 2017, Timisoara, Romania
Venue: Timisoara Regional Business Center, Str. Eroilor de Tisa,
Timisoara

Scientific Program:

➤ Thursday 28th September 2017:- 13:00 onwards, Registration desk will *open*

Contents:	Page no.
1. Scientific program details in	
- <i>EUROPA HALL (1st floor)</i>	2- 7
- <i>BEGA HALL (1st floor)</i>	8-12
- <i>NERA HALL (1st floor)</i>	13-17
- <i>TIMIS HALL (Ground floor)</i>	18-22
2. Workshop details	23-24

**The 5th World Congress on TIVA – TCI
&
15th Guidelines and Protocols in Anesthesia and Intensive Care Congress**
28-30 September 2017, Timisoara, Romania
Venue: Timisoara Regional Business Center, Str. Eroilor de Tisa, Timisoara

EUROPA HALL (1ST Floor)

Thursday 28th September 2017

- 15.00** **Opening Ceremony**
- Session** ***Advancements in Anesthesia and Intensive Care***
- Moderators: Quirino Piacevoli, Dorel Sandesc***
- 15.00 – 15.30** **Cardiac complications after non-cardiac surgery**
Stefan de HERT, Belgium
- 15.30-16.00** **TCI in clinical practice**
Akos CSOMOS, Hungary
- 16.00-16.30** **Biomarker panel improves cardiac risk stratification in major
noncardiac surgery**
Radmilo JANKOVIC, Serbia
- 16.30-17.00** **Sepsis improvement efforts: from new definitions to new guidelines**
Natalia HAGAU, Cluj Napoca, Romania
- 17.00- 17.30** **Halogen bond: The active role of halogen atoms in the binding to
biomacromolecules**
Giuseppe RESNATI, Italia
- 17.30-18.00** **The discovery and early history of propofol**
Iain GLEN, Marea Britanie

The 5th World Congress on TIVA – TCI
&
15th Guidelines and Protocols in Anesthesia and Intensive Care Congress
28-30 September 2017, Timisoara, Romania
Venue: Timisoara Regional Business Center, Str. Eroilor de Tisa, Timisoara

EUROPA HALL (1ST Floor)

Friday 29th September 2017

Session

Intensive Care

Moderators: Serban Bubenek, Leonard Azamfirei

08.30-09.00

Management of severe asthma attack

Leonard AZAMFIREI, Targu Mures, Romania

09.00-09.30

Guidelines of management of sepsis

Serban BUBENEK, Bucharest, Romania

09.30- 10.00

Double Filtration and Plasmapheresis use in ICU

Olivier MORANNE, France

10.00-10.30

AntiMicrobial Stewardsdship

Dorel SANDESC, Timisoara, Romania

10.30-11.15

MSD SYMPOSIUM

Current advancements in the treatment of Gram negative bacterial infections

Stefan HOFER, Germany

11.15-11.30

Coffee break

Session

Intensive Care

Moderators: Ioana Grintescu, Dorel Sandesc

11.30- 12.30

PFIZER SYMPOSIUM

Smart Usage of Established Antibiotics

Dorel SANDESC, Timisoara, Romania

The 5th World Congress on TIVA – TCI

&

15th Guidelines and Protocols in Anesthesia and Intensive Care Congress

28-30 September 2017, Timisoara, Romania

Venue: Timisoara Regional Business Center, Str. Eroilor de Tisa, Timisoara

- New Lifesaving Antibacterial Agents**
Ioana GRINTESCU, Bucharest, Romania
- 12.30- 13.00** **New Strategies of Lung Protective Ventilation**
Sven PULLETZ, Germany
- 13.00-13.30** **Ventilation in critically ill patients**
Davide Alberto CHIUMELLO, Italy
- 13.30-13.45** ***SYMPOSIUM MINDRAY DUTCHMED***
NEW TECHNOLOGIES IN INTENSIVE CARE
- 13.45-15.00** **Lunch break**
Exposition in Exposition hall, Timisoara Regional Business Center
Senate Meeting: SRATI – Hotel Boavista
- Session** ***Anesthesia and Intensive Care***
Moderator: Constantin Bodolea
- 15.00-15.30** **Individualized perioperative red cell transfusion strategy**
Jin LIU, China
- 15.30- 16.00** ***SYMPOSIUM MEDTRONIC***
Respiratory Compromise During Conscious Sedation
Wolfgang HEINRICHS, Germany
- 16.00-16.30** **Multimodal individualized hemodynamic management: how to put the puzzle together?**
Zsolt MOLNAR, Hungary
- 16.30-17.00** **Coffee break**
- Session** ***Advancements in Obstetric Anesthesia***
Moderator Serban Virgil Manica
- 17.00- 17.30** **Amniotic fluid embolism-clinical issues and challenges**

The 5th World Congress on TIVA – TCI
&
15th Guidelines and Protocols in Anesthesia and Intensive Care Congress
28-30 September 2017, Timisoara, Romania
Venue: Timisoara Regional Business Center, Str. Eroilor de Tisa, Timisoara

- Serban Virgil MANICA, USA
- 17.30- 18.00** **Anesthesia for non-obstetric surgery during pregnancy**
Peter BIRO, Switzerland
- 18.00-18.30** **Difficult airway in late pregnancy**
Hulya BILGIN, Turkey
- 18.30-19.00** **Post-dural puncture headache in an obstetric patient: an old
problem – new solutions**
Krzysztof KUCZKOWSKI, USA

The 5th World Congress on TIVA – TCI
&
15th Guidelines and Protocols in Anesthesia and Intensive Care Congress
28-30 September 2017, Timisoara, Romania
Venue: Timisoara Regional Business Center, Str. Eroilor de Tisa, Timisoara

EUROPA HALL (1ST Floor)

Saturday 30th September 2017

Session

Intensive Care

Moderator: Ovidiu BEDREAG

09.00-09.30

Fluid responsiveness: Theory and Practice

Azriel PEREL, Israel

09.30- 11.00

SYMPOSIUM BAXTER

Moderators: Serban Bubenek, Bucharest, Romania

Jacques Goldstein, Belgium

Romanian Experience with Primalung & 5 essential questions about Primalung

Șerban BUBENEK, Bucharest, Romania

Citrate experience & 5 arguments for citrate anticoagulation

Ovidiu BEDREAG, Timisoara, Romania

SYMPOSIUM BAXTER

Oxiris experience & 5 arguments to use it

Ioana GRINTEȘCU, Bucharest, Romania

11.00- 11.30

Coffee break

Session

Intensive Care

Moderators: Daniela FILIPESCU, Dan LONGROIS

11.30- 12.00

The value of dynamic parameters during spontaneous breathing

The 5th World Congress on TIVA – TCI

&

15th Guidelines and Protocols in Anesthesia and Intensive Care Congress

28-30 September 2017, Timisoara, Romania

Venue: Timisoara Regional Business Center, Str. Eroilor de Tisa, Timisoara

- Azriel PEREL, Israel
- 12.00-12.30** **Ventilation strategies to reduce postoperative pulmonary complications**
- Marcelo GAMA de ABREU, Germania
- 12.30- 13.00** **What should one do for patients with increased postoperative troponin values after non-cardiac surgery?**
- Dan LONGROIS, France
- 13.00-13.30** **Patients blood management program in the perioperative period
Multidisciplinary protocols of patient blood management initiative**
- Daniela FILIPESCU, Bucharest Romania
- 13.30- 15.00** **Lunch break**
- Session** ***Advancements in Anesthesia and intensive care***
- Moderators: Calin Mitre, Marius Papurica***
- 15.00-15.30** **Management of obese patients coming for surgery**
- Raveenthirin RASIAH, Malaysia
- 15.30-16.00** ***SYMPOSIUM MSD***
- BRIDION - seeing is believing**
- Marius PAPURICA, Timisoara
- 16.00- 16.30** **Antifungal treatment guidelines in critically ill patient**
- Dorel SANDESC, Timisoara, Romania
- 16.30-16.45** ***SYMPOSIUM ASTELLAS***
- Positioning Mycafungin in the treatment of critically ill patient** Ovidiu
BEDREAG, Timisoara, Romania
- 16.45-17.00** **Coffee break**
- 17.00-18.00** ***SYMPOSIUM GENERAL ELECTRIC***
- Moderator: Dorel SANDESC***

The 5th World Congress on TIVA – TCI
&
15th Guidelines and Protocols in Anesthesia and Intensive Care Congress
 28-30 September 2017, Timisoara, Romania
 Venue: Timisoara Regional Business Center, Str. Eroilor de Tisa, Timisoara

Entropy – Clinical perspective

Pawel KCIUK, General Electric Poland

Entropy – Philosophical perspective

Cornel MIRCEA, Timisoara, Romania

BEGA HALL (1ST Floor)

Friday 29th September 2017

Session

Intensive Care

Moderator: Dan Corneci

08.30-09.00

Treatment guidelines in malignant hyperthermia

Sanda COPOTOIU, Targu Mures

09.00-09.30

Hepato-renal syndrome

Dan CORNECI, Bucharest, Romania

09.30- 10.00

Challenges in geriatric anesthesia

Ruben AZOCAR, USA

10.00-10.30

Oxygen Reserve Index

Tiberiu EZRI, Israel

10.30-11.00

Anaesthetic considerations in liver resections?

Bazil ATELEANU, UK

11.00-11.30

Coffee break

Session

Intensive therapy

Moderators: Dana Tomescu, Sanda Copotoiu

11.30- 12.00

Difficult Airway Management: What is old and what is new?

Mingzhang ZUO, China

The 5th World Congress on TIVA – TCI

&

15th Guidelines and Protocols in Anesthesia and Intensive Care Congress

28-30 September 2017, Timisoara, Romania

Venue: Timisoara Regional Business Center, Str. Eroilor de Tisa, Timisoara

12.00-12.30 ***SYMPOSIUM: BALKAN ASSOCIATION of VASCULAR ACCESS (BAVA)***

Prevention, diagnosis and treatment guidelines of healthcare associated infections

Dana TOMESCU, Bucharest, Romania

Mihai POPESCU, Bucharest, Romania

12.30- 13.00 **Risk recognition and control on the patients with cerebrovascular aging during perioperative period**

Yunxia ZUO, China

13.00-13.30 **Sepsis and Love**

Zsolt Molnar, Hungary

13.30-15.00 **Lunch break**
Exposition in Exposition hall, Timisoara Regional Business Center
Senate Meeting: SRATI – Hotel Boavista

Session ***Intensive Care***

Moderator: Adrian Ursulescu, Petre Deutsch

15.00-15.30 **Perioperative GDT and EGDT for septic shock: Big hopes, bigger disappointments**

Azriel PEREL, Israel

15.30- 16.00 **Inadvertent perioperative hypothermia**

John ANDRZEJOWSKI, UK

16.00-16.30 **Cardiopulmonary Resuscitation Protocols for Patients after Cardiac Surgery - Is there something new?**

Adrian URSULESCU, Germany

16.30-17.00 **Coffee break**

Session ***Intensive Care***

Moderators: Marc Lazarovici, Sebastian Tranca

The 5th World Congress on TIVA – TCI

&

15th Guidelines and Protocols in Anesthesia and Intensive Care Congress

28-30 September 2017, Timisoara, Romania

Venue: Timisoara Regional Business Center, Str. Eroilor de Tisa, Timisoara

- 17.00- 17.30** **Human Factor in Anesthesiology and Intensive Care**
Marc LAZAROVICI, Germany
- 17.30- 18.00** **Preparing the intensive care units for catastrophic conditions**
Sebastian TRANCA, Cluj Napoca, Romania
- 18.00-18.30** **A new era in mechanical ventilation – nutrition and metabolism assessment**
Dorel SANDESC, Timisoara, Romania
- 18.30-19.00** **Management of rhabdomyolysis syndrome in the ER**
Luciana ROTARU, Craiova, Romania

The 5th World Congress on TIVA – TCI
&
15th Guidelines and Protocols in Anesthesia and Intensive Care Congress
28-30 September 2017, Timisoara, Romania
Venue: Timisoara Regional Business Center, Str. Eroilor de Tisa, Timisoara

BEGA HALL (1ST Floor)

Saturday 30th September 2017

Session

Intensive Care

Moderators: Ioana Grigoras, Gabriela Droc

09.00-09.30 **Physical rehabilitation guidelines in critically ill patient**

Ioana GRIGORAS, Iasi, Romania

09.30- 10.00 **ARDS treatment guidelines**

Gabriela DROC, Bucharest, Romania

10.00- 10.30 **Personalized blood pressure targets in the ICU**

Frank von HAREN, Australia

10.30- 11.00 **Role of adjutant in management of sepsis**

Dinesh Kumar SINGH, India

11.00- 11.30 **Coffee break**

Session

Anesthesia and Intensive care

Moderator: Claudiu Zdrehus

11.30- 12.00 **ERAS, the theory, the evidence, and the future**

Medhat SHALABI, UAE

12.00-12.30 **Postoperative pain management – update**

Elena COPACIU, Bucharest, Romania

The 5th World Congress on TIVA – TCI

&

15th Guidelines and Protocols in Anesthesia and Intensive Care Congress

28-30 September 2017, Timisoara, Romania

Venue: Timisoara Regional Business Center, Str. Eroilor de Tisa, Timisoara

12.30- 13.00 **Iatrogenic hemodilution: A potential cause for avoidable transfusions?**

Azriel PEREL, Israel

13.00-13.30 **Selective intubation guidelines / single lung ventilation**

Dan CORNECI, Bucharest, Romania

13.30- 15.00 **Lunch break**

Session ***Advancements in anesthesia and intensive therapy***

Moderators: Ostin Mungiu, Dorel Sandesc

15.00-15.30 **General training curriculum in pain management**

Ostin MUNGIU, Iasi, Romania

15.30-16.00 **Anesthetist's interventions in pain therapy**

Ovidiu PALEA, Bucharest, Romania

16.00- 16.30 **Interventional management in neoplastic pain**

Dan DIRZU, Cluj Napoca, Romania

The 5th World Congress on TIVA – TCI

&

15th Guidelines and Protocols in Anesthesia and Intensive Care Congress

28-30 September 2017, Timisoara, Romania

Venue: Timisoara Regional Business Center, Str. Eroilor de Tisa, Timisoara

NERA HALL (1ST Floor)

Friday 29th September 2017

Session

WHAT'S NEW IN INTENSIVE CARE

Chairmen: Q. Piacevoli, Italy

08:30-08:55

Precision Medicine

Quirino PIACEVOLI, Italy

08:55-09:20

Delirium in ICU

Frank VON HAREN, Australia

09:20-09:45

Heart Rate control in ICU

Luigi TRITAPEPE, Italy

09:45-10:10

Presepsin: a new biomarker

Radmila KARAN, Serbia

10:10-11:10

***SYNTERGY SYMPOSIUM - RAPID SCREENING AND
DIAGNOSTIC METHODS FOR THE CRITICAL PATIENT***

Diagnostic and prognostic value of presepsin in clinical practice

Matthias KLINGELE

DRapid diagnostic methods for pneumonia in ICU setting

Vittorio Sambri

10:55-11:15

Coffee break

The 5th World Congress on TIVA – TCI

&

15th Guidelines and Protocols in Anesthesia and Intensive Care Congress

28-30 September 2017, Timisoara, Romania

Venue: Timisoara Regional Business Center, Str. Eroilor de Tisa, Timisoara

SESSION

SPECIAL PATIENT POPULATIONS AND ANAESTHESIA

Chairmen: K. Kuczkowski (U.S.A.), R. Goy (Singapore)

11:15-11:40

Maternal fetal and neonatal medicine: What does an anesthesiologist needs to know

Krzysztof KUCZKOWSKI, U.S.A.

11:40-12:05

New horizons in the use of IV remifentanil for labour analgesia

Raymond GOY, Singapore

12:05-12:30

Update on labour analgesia

Raveenthiran RASIAH, Malaysia

12:30-12:55

Propofol influence on fetoplacental circulation – outcomes and consequences

Kiro CHURLINOV, Macedonia

12:55-13:20

Use of bodyweight as dosing scalar for anesthesia in children and adults in the era of obesity?

Catherijne A. J. KNIBBE, Netherlands

13:20-13:45

Genetic influences on chronic post surgical pain

Tony GIN, Hong Kong

13:30-15:00

Lunch break

SESSION B3

ANAESTHESIA AND SURGERY

Chairmen: R. Rasiah, Malaysia

15:00-15:25

Awake anesthesia for mastectomy, thyroidectomy and upper arms surgeries

DK SINGH, India

15:25-15:50

Effect of adding dexamethasone as a ropivacaine adjuvant in ultrasound-guided transversus abdominis plane block for inguinal hernia repair

Andrijan KARTALOV, Macedonia

The 5th World Congress on TIVA – TCI

&

15th Guidelines and Protocols in Anesthesia and Intensive Care Congress

28-30 September 2017, Timisoara, Romania

Venue: Timisoara Regional Business Center, Str. Eroilor de Tisa, Timisoara

- 15:50-16:15** **Anesthesia and analgesia for total knee replacement: an update**
Raveenthiran RASIAH, Malaysia
- 16:15-16:40** **A state of the art pharmacological model to simulate drugs and drug interactions in patient simulation**
Wolfgang HEINRICH, Germany
- 16:40-17:10** **Coffee break**
- SESSION** **DEXMEDETOMIDINE**
- Chairmen: Ma Daqing, U.K., L. Tritapepe, Italy**
- 17:10-17:35** **Dexmedetomidine: research from lab bench to clinical application**
Ma DAQING, U.K.
- 17:35-18:00** **Cognitive Functions After TIVA With Dexmedetomidine**
Hulya BILGIN, Turkey
- 18:00-18:25** **Dexmedetomidine and sleep disturbance**
Luigi TRITAPEPE, Italy
- 18:25-18:50** **Sedation and Regional Anesthesia**
Mario BOSCO, Italy

The 5th World Congress on TIVA – TCI
&
15th Guidelines and Protocols in Anesthesia and Intensive Care Congress
28-30 September 2017, Timisoara, Romania
Venue: Timisoara Regional Business Center, Str. Eroilor de Tisa, Timisoara

NERA HALL (1ST Floor)

Saturday 30th September 2017

SESSION

OPIOIDS

Chairmen: F. Mavoungou (France), D.K. Singh (India)

08:30-08:55

Peripheral and neuraxial blocks as a techniques in Opioids sparing regimen

Andrea TOGNÙ, Italy

08:55-09:20

Opioids and Cancer

Antonio CLEMENTE, Italy

09:20-09:45

Hyperlagesia induced by Opioids

Simona MARGARIT, Romania

09:45-10:10

Role of IV ketamine in rural anesthesia

DK. SINGH, India

10:10-10:40

SYMPOSIUM DR. REDDY'S

Multimodal analgesia in perioperative care

Marius PAPURICA, Romania

SESSION

TIVA-TCI: NOT ONLY

Chairmen: S. Chandra, Indonesia, E. O. Nwasor, Nigeria

11:15-11:40

Ketamine, old drug, new options

The 5th World Congress on TIVA – TCI

&

15th Guidelines and Protocols in Anesthesia and Intensive Care Congress

28-30 September 2017, Timisoara, Romania

Venue: Timisoara Regional Business Center, Str. Eroilor de Tisa, Timisoara

	Susilo CHANDRA, Indonesia
11:40-12:05	Combined spinal - epidural Anesthesia for abdominal hysterectomy.
	Emilija IVANOV, Macedonia
12:05-12:30	The Future For TIVA and TCI Globally Versus Resource Poor
	Locations: Where are we now? And where do we want to be?
	Elizabeth Onuwa NWASOR, Nigeria
12:30-12:55	TIVA at High altitude
	Goverdhan PURI, India
12:55-13:20	Sedation in Emergency
	Luca MARTINOLLI, Switzerland
13:20 – 13:30	Q&A
13.30-15.00	Lunch break
SESSION	POSTER PRESENTATIONS
15.00-17.00	Chairmen: Q. Piacevoli (Italy), D. Ionescu (Romania)

The 5th World Congress on TIVA – TCI
&
15th Guidelines and Protocols in Anesthesia and Intensive Care Congress
28-30 September 2017, Timisoara, Romania
Venue: Timisoara Regional Business Center, Str. Eroilor de Tisa, Timisoara

TIMIS HALL (Ground Floor)

Friday 29th September 2017

SESSION	MONITORING DEPTH OF ANAESTHESIA AND CLOSED LOOP ANESTHESIA
	Chairmen: I. Glen, U.K., Ngai Liu, France
08:30-08:55	Bispectral Index monitoring with TIVA John ANDRZEJOWSKI, U.K.
08:55-09:20	What's new in cerebral monitoring during carotid endoarterectomy Francesco STILO, Italy
09:20-09:45	Closed loop control system for propofol infusion guided by the BIS Jose A. REBOSO, Spain
09:45-10:10	Closed-loop IV anesthesia: Impact of Routine Anesthesia Ngai LIU, France
10:10-10:35	The influence of different pharmacokinetic models on propofol delivery Iain GLEN, U.K.
10:35-10:55	The role of the pharmacokinetic models on opioids delivery Alfredo DEL GAUDIO, Italy

The 5th World Congress on TIVA – TCI
&
15th Guidelines and Protocols in Anesthesia and Intensive Care Congress
28-30 September 2017, Timisoara, Romania
Venue: Timisoara Regional Business Center, Str. Eroilor de Tisa, Timisoara

10:55-11:15

Coffee break

SESSION

OLD AND NEW IN ANESTHESIA

Chairmen: P. Biro, Switzerland, A. Agarwal, India

11:15-11:40

Placebo Effect

Fabrizio BENEDETTI, Italy

11:40-12:05

Post-operative nausea and vomiting (PONV)

Bojan BAGI, Serbia

12:05-12:30

Fine tuning of neuromuscular relaxation according to surgical needs

Peter BIRO, Switzerland

12:30-12:55

Scope of 3D Printing in Anesthesiology

Ankit AGARWAL, India

12.55 – 13.25

Acute Pain Management and Clinical Practice in China

Tianlong WANG (China)

13:25-13:45

Q&A

13:30-15:00

Lunch break

SESSION

TCI AND SEDATION

Chairmen: S. Margarit (Romania), M. Shalabi (U.K.)

15:00-15:25

Teaching TIVA, TCI with full scale patient simulators

Wolfgang HEINRICHS Germany

15:25-15:50

TCI-sedation. Clinical application

Simona MARGARIT, Romania

15:50-16:15

Target Controlled Infusion (TCI) of antibiotics

Jacopo COLOMBO (Italy)-

16:15-16:40

Propofol TCI for procedural sedation by non anesthetists

The 5th World Congress on TIVA – TCI

&

15th Guidelines and Protocols in Anesthesia and Intensive Care Congress

28-30 September 2017, Timisoara, Romania

Venue: Timisoara Regional Business Center, Str. Eroilor de Tisa, Timisoara

Medhat M. SHALABI, U.K.

16:40-17:10

Coffee break

SESSION

PK /PD MODEL

Chairmen: S. Jeong, South Korea

17:10-17:35

Pre-/post- and remote conditioning and anesthesia

Dorel SANDESC, Romania

17:35-18:00

External Validation of LCT/MCT Propofol TCI with LCT propofol Model

Seongwook JEONG, South Korea

18:00-18:25

Managing anti- nociception during closed-loop balanced anesthesia

Filippe MAVOUNGOU, France

18.25 – 18.50

Antibiotics' pharmacokinetic in the critically ill patients

Jacopo Colombo, Italy

The 5th World Congress on TIVA – TCI

&

15th Guidelines and Protocols in Anesthesia and Intensive Care Congress

28-30 September 2017, Timisoara, Romania

Venue: Timisoara Regional Business Center, Str. Eroilor de Tisa, Timisoara

TIMIS HALL (Ground Floor)

Saturday 30th September 2017

SESSION	TIVA/TCI IN MAJOR SURGERY
	Chairman: D. Filipescu, Romania
08:30-08:55	Multimodal intra-operative monitoring techniques Ovidiu BEDREAG Romania
08:55-09:20	Does the type of anesthetic technique affect outcomes after cardiac surgery? Daniela FILIPESCU, Romania
09:20-09:45	TIVA in cardiac surgery Goverdhan PURI, India
09:45-10:10	The synergism: the key of Tiva TCI Alfredo DEL GAUDIO, Italy
10:10-10:35	Which type of anesthesia and monitoring in major hepatic surgery Antonio MASCIA, Italy
10:35-10:45	Q&A
10:45-11:15	Coffee break

The 5th World Congress on TIVA – TCI
&
15th Guidelines and Protocols in Anesthesia and Intensive Care Congress
28-30 September 2017, Timisoara, Romania
Venue: Timisoara Regional Business Center, Str. Eroilor de Tisa, Timisoara

SESSION	CANCER AND ANESTHESIA
	Chairmen: D. Ionescu (Romania), T. Hales, (U.K.)
11:15-11:40	Regional anesthesia and immune system Antonio CLEMENTE, Italy
11:40-12:05	Local anesthetics and cancer: Do local anesthetics have ant proliferative effects? Daniela IONESCU, Romania
12:05-12:30	Does anaesthetic technique during surgical tumor excision directly influence metastatic cells and cancer recurrence? Timothy HALES, U.K.
12:30-12:55	Intravenous and Inhaled Anaesthesia. Similarities and Differences, Clinical Parallels. Vitali STAMOV, Russia
12:55-13:20	The comparison of propofol or sevoflurane anaesthesia on brain damage and inflammatory response during brain tumor surgery Jasmina Markovic BOZIC, Slovenia
13:20-13:30	Q&A
13:30-15:00	Lunch break
SESSION	POSTER PRESENTATIONS
	Chairmen: Q. Piacevoli (Italy), D. Ionescu (Romania)
16:00-17:00	Coffee break
17:00	Closing Ceremony

The 5th World Congress on TIVA – TCI
&
15th Guidelines and Protocols in Anesthesia and Intensive Care Congress
 28-30 September 2017, Timisoara, Romania
 Venue: Timisoara Regional Business Center, Str. Eroilor de Tisa, Timisoara

WORKSHOPS

THURSDAY, SEPTEMBER 28th

TISA Hall – Workshop	112 Hall - Workshop
<p>13:30-15:00 Basic TCI Workshop with simulator Wolfgang HEINRICHS</p>	<p>13:30-17:00 Ultrasound Guided Peripheral and Central Blocks: <i>Knobology and best practice Upper limb blocks</i> <i>Lower limb blocks</i> <i>TAP and Pecs Blocks Central Blocks</i> <i>Live, Relive, Discussion</i> Mario BOSCO, Antonio CLEMENTE, Andrea TOGNÙ</p>
<p>15:30-17:00 Advanced TCI Workshop with simulator Matina HEINRICHS</p>	

FRIDAY, SEPTEMBER 29th

TISA Hall - Workshop	112 Hall - Workshop
<p>09:00-11:00 Basic TCI Workshop with simulator Wolfgang HEINRICHS</p>	<p>09:00-12:30 Ultrasound Guided Peripheral and Central Blocks: <i>Knobology and best practice Upper limb blocks</i> <i>Lower limb blocks</i></p>

The 5th World Congress on TIVA – TCI
&
