

## ART Course on Nuclear Cardiology Nuclear Imaging in Cardiology

Imagistica radionuclidică în cardiologie

Cardiologia nucleară la granița dintre specialități

20-21 Martie 2026 | București

# DIANA ALEXANDRA IANCU

Dr. Iancu Diana Alexandra is a senior cardiologist, with expertise in transesophageal echocardiography and vascular ultrasound and European certification in transthoracic echocardiography, activating since 2019 in the Non-Invasive Cardiovascular Laboratory, within the Central Military Emergency University Hospital "Dr. Carol Davila". An important contribution of the laboratory consists in serial imaging follow-up of patients with infective endocarditis with transthoracic and transesophageal echocardiography, as part of a multidisciplinary management, in collaboration with medical specialities and cardiovascular surgery.
