

ART Course on Nuclear Cardiology Nuclear Imaging in Cardiology

Imagistica radionuclidică în cardiologie

Cardiologia nucleară la granița dintre specialități

20-21 Martie 2026 | București

MARIA-MAGDALENA GURZUN

Dr. Maria-Magdalena Gurzun is a distinguished Romanian cardiologist and Associate Professor at the “Carol Davila” University of Medicine and Pharmacy in Bucharest.

Dr. Gurzun currently practices at the Central Emergency Military Hospital “Dr. Carol Davila” in Bucharest, where she combines clinical excellence with academic leadership. She has extensive expertise in cardiovascular imaging, especially in echocardiography and special echocardiography but also the others cardiac modalities (cardiac CT, nuclear cardiology and cardiac MRI).

Her research and clinical interests focus on modern cardiac imaging techniques and their application to complex cardiovascular diseases, enhancing diagnosis and patient care. Dr. Gurzun also actively contributes to scientific education and has presented her work at national and international congresses.
